

## Etiwanda Spring Sale Report 2016

We are very happy with our Sale results from September the 30th. We achieved a 100% clearance of our rams, with a sale average of \$1997.00 on the 88 individual rams we sold. We also sold 3 pens of 3 flock rams for an average \$1100.00/hd.

New and repeat buyers attended from Queensland, Victoria, New South Wales & South Australia, as well as a strong local following.

Neville Hoffrichter, "Wiabuna White Dorpers", Ceduna, South Australia purchased the top price ram, at \$4800.00, and also the second top priced at \$4700.00.

Volume buyer was the Muenster Family from Bourke who secured a great line of 18 rams at the sale.

Longtime supporters, Justin and Julie McClure, threw their hat in amongst the highest bids, purchasing a total of 6 rams, 2 of which topped at \$4000.00/hd.

Tom McCumstie, Mike Heatherington & Brent Gadsby from QLD also secured Etiwanda rams to take home with them.

The Darcy Family from Tottenham, were unable to attend the sale due to flooding, but put together a nice group of rams on AuctionsPlus, to go home when it dries out a bit!

Locally, rams went to the Allen Family on "Nullogoola Station", the Whiteman Family at "The Rookery" and to "Marigold Station" at Nymagee.

We would like all our supporters at our sale and also on AuctionsPlus. We truly value and appreciate your support of our Rangeland Ready approach.

Our two Red Angus bulls sold to a local Cobar buyer for an average of \$4500.00/hd

Thank you to the Landmark Russell Team from Cobar for running the sale and thanks also to Mathew Larkings from Landmark for assisting with the auctioneering on the day.
