

Etiwanda Rangeland Ready Ram Sale.

September 29th at 12pm on Etiwanda.

140 White Dorper rams.

Never shorn, hoof trimmed or grain fed. Grass raised on the rangelands of Cobar and performance recorded on LAMBPLAN.

All sale ram photos are on www.auctionsplus.com.au

The Mosely Family, Etiwanda Station, Cobar, NSW 2835, Ph.0268373797

Dear Fellow Producers,

We warmly welcome you to the 2017 Spring "100% Rangeland Ready" Sale, interfaced with AuctionsPlus and scheduled to start at 12pm, September 29th.

Inspections are welcome prior to the sale by appointment, or on sale day from 9am. Come and enjoy a coffee and morning tea and then take a wander through the sale pens. Lunch will be available, catered by the Burthong CWA, They are cooking up home-grown Etiwanda Dorper - hot lamb and gravy rolls- which sound delicious!

We will have 140 rams penned for your inspection, this is the biggest draft of rams we have ever offered at our sale. The rams are in great condition, are well grown, and they are displaying plenty of capacity and muscle.

As always, all the rams are presented to you straight from the paddock, they have never been shorn, hoof trimmed or grain fed. Every ram in our sale is born unassisted, from highly adapted Rangeland Ready ewes. The rams in this year's sale are the result of our 2016 AI program, where we used 4 different sires.

This year we have used The Maternal Carcase Production (MCP) index to rank our rams. The MCP index ranks animals on their suitability for a self-replacing system with a carcase production focus. This index balances the main economic traits relevant to maternal breeders. This allows higher gains to be made for growth and carcase traits. The index also assumes no mating to terminal sires. The index aims to maintain adult weight at current levels.

7 of the top 10 rams recorded on LAMBPLAN MCP index are Etiwanda rams – and some of these are in our sale.

Our sale catalogue is being presented online only. You can find the catalogue online at AuctionsPlus at www.auctionsplus.com.au – our sale is sale number 530.

Our website and Facebook page shows a Google map to our main entrance gate. The sale entrance is 5km further south – you will see our sign and flags.

Our flock is a tested Brucellosis free flock – certificate number CW-01/17 – current until October 2019.

Safe travels to Etiwanda, we look forward to seeing you on the 29th!

Yours faithfully,

The Mosely Family.

www.etiwanda.com.au

Lot 68 Stylish and performance. MCP 145.8

Lot 10 – twin born and raised with a great MCP of 144.8

Lot 15 – very high performance ram MCP 151.8

Lot 35 – Stylish with capacity.

Lot 58 – Born and raised as a triplet

Lot 62 – high performance twin, MCP 148.8

Lot 66 – Another triplet with great PWWT.

Lot 72 – this rams a cracker! Twin, MCP 147.2

Lot 73 – Eye appealing, twin ram, good growth figures.

Lot 88 – Stylish ram, clean shedder, great performance.

Lot 100 – Twin, clean shedder and performance! MCP 142.2

Lot 111 – Long as a fortnight! Clean shedder & stylish.

Lot 121 – 100% shedder, good PWWT

Lot 122 – Another eye appealing, twin.

Lot 64 – Looking for capacity and style? Here he is!

Lot 17 – GD110422 son, clean shedder & MCP 147.0

Sale Information.

Sale time

The sale is scheduled to start at 12pm EST, September 29^h, 2017. The sale interfaced with Auctionsplus so start time must be strictly adhered to.

Inspections are welcome from 9am on sale day or any other day prior, by appointment. We encourage buyers to inspect the rams prior to the sale. This gives us the opportunity to assist in selection of genetics to best fit your flock.

Sale Location: on property at Etiwanda. Google map directions on www.etiwanda.com.au

From Cobar - 92kms South on the Kidman Way (Hillston Rd), 5km past Sandy Creek Bridge turn right. Watch for our sale sign and flags.

From Griffith/Hillston – follow Kidman Way North through Mount Hope, travel approx. 80kms. Turn left. Watch for our sale sign and flags.

Accommodation in Cobar

Town & Country Motor Inn - 02 68 361 244

Central Motor Inn - 02 68 302 000

Phone Bidding

Phone Bidding can be arranged prior to the sale by speaking to the selling agents Landmark Russell Cobar

Luke Scales 0447769588 or the Landmark Cobar Office 02 68 362234

Auctionsplus bidding

Many people bid on Auctionsplus for the Etiwanda sale – this is a straight forward process – for any assistance with this bidding method please contact the selling agents on the above numbers.

Health Status

All rams are tested Brucellosis free Accreditation No CW 01/17. Etiwanda is located within the Western Regional Biosecurity area.

Refreshments

Morning tea, lunch and hot and cold refreshments available on site

Sale Service

Andrew & Megan are always available to discuss any aspect of your flock and can be contacted on 02 68 373797 or andrew@etiwanda.com.au for advice and assistance. Mobile service is patchy at Etiwanda – but if you can't get us at the house it is worth trying Andrew on 0419477983 or Megan on 0429477930.

Buy your rams from someone who breeds them like they ought to!

100% Rangeland Ready.

What is Rangeland Ready?

Hardy, profitable, unpampered White Dorpers that have never been shorn, grain fed or hoof trimmed. Grass raised on the Rangelands of Cobar and performance recorded on LAMBPLAN. Rangeland Ready to go – bred like they ought to be!

Our Rangeland Ready Rules

- We use LAMPLAN to provide practical information on the genetic potential of our animals & monitor our breeding program – objectively.
- By running the animals extensively we apply sufficient pressure on the ewe flock to force out the unadapted and infertile animals.
- The natural resources placed under our stewardship are managed in a regenerative manner.
- In addition to growth and performance, we select for other vital economic traits like fertility, lambing ease, moderate ewe size, muscling ability, structural correctness, disposition and longevity.
- Sheep are run in a real-world environment, as tough as or tougher than the environment most commercial ewes are run in.
- Replacement ewes are developed on a low-cost, rangeland based diet with minimum supplements. We only want the most efficient and most adapted ewes to make it into the breeding flock.
- We let the environment sort out the profitable ones; we show no sympathy for empty or dry ewes.
- All lambs must be born unassisted to make it into one of our ram sales.
- A ewe must produce and wean at least one lamb every year to remain in the flock.
- Our honesty & integrity will not be compromised.

Never Shorn, Hoof Trimmed or Grain Fed.....ever.

100% Rangeland Ready
